

Agrivision Agri-Youth Parliament – 2026 at Central Agricultural University (CAU), Imphal on 21.03.2026

Shri Ajay Kumar Bhalla, Hon'ble Governor of Manipur inaugurated the Agrivision Agri-Youth Parliament – 2026 at Central Agricultural University (CAU), Imphal on 21st March, 2026. Organised under the theme 'Futuristic Agriculture for North East Bharat: Sustainability, Innovations and Opportunities,' the three-day event focuses on emerging research, technological advancements, and innovative solutions in agriculture and allied sectors. The Hon'ble Governor inspected various exhibition stalls, interacting with participants, innovators, and entrepreneurs, and appreciating the display of agricultural innovations and indigenous products. Addressing the gathering, the Hon'ble Governor stated that the Agri-Youth Parliament-2026 serves as a vital platform bringing together youth and stakeholders to shape the future of agriculture in the North East. He added that products such as Chakhao (black rice), Kachai Lemon, and Tamenglong Orange reflect the State's cultural and ecological wealth and, with scientific support, value addition, and better market access, can drive rural prosperity and gain global recognition. Dr. Anupam Mishra, Vice-Chancellor, CAU, Dr. Dipjyoti Rajkhowa, Vice-Chancellor, Assam Agricultural University (AAU), Jorhat, along with other dignitaries, were present on the occasion.
